Subject: Kit verification charges for Evaluation of Diagnostic Kit

The NICED website contains **Procedural Outline for Evaluation of Diagnostic Kit** under **Services** Tab. As per the suggestion, kit evaluation verification charges should not be mentioned over NICED website. Therefore, the kit evaluation committee has concluded the following changes (attached) in the NICED website for kit evaluation purpose.

In this regard, a note is forwarded to the director, ICMR-NICED, for her kind approval and necessary suggestions.
